A copy each of the drawings referred to under the several items will be furnished on request.

The zinc galvanizing of the materials should satisfy the following corrosion test of B.E.S.A.

"If protected from corrosion by means of zinc galvanizing, the iron or steel member shall be immersed in a freshly made saturated solution of Copper Sulphate at a temperature of 60° F. (15.6° C) and shall be allowed to remain in the solution for one minute, after which it shall be withdrawn and wiped clean. The protective covering shall admit of this process being performed four times without any signs of a deposit of metallic copper showing on the samples."

The quantities mentioned against the several items are only approximate. Our actual requirements may be less.

The materials will be required to be supplied as and when required by the Manager, Government Porcelain Factory, Bangalore.

In the event of an order being placed with you, the supply should be in strict accordance with the specifications and the materials should be supplied within the stipulated time. Materials not conforming to the specifications will be liable to rejection.

In the event of failure to supply the materials in accordance with specifications or in time, the Stores Purchase Committee reserve the right to cancel the order and arrange for the purchase of the materials from other sources, debiting the extra cost, if any, to the defaulting contractors.

The prices to be quoted should be for delivery c.i.f. Madras and f.o.r. Bangalore.

The enquiry will close on the 5th August 1938.

Yours faithfully,
T. RANGASWAMI,
Secretary,
Stores Purchase Committee.
